Welcome High School Officials:

USA Track and Field in partnership with the OSAA would like to invite you to attend the first annual high school starter's clinic. USATF is the governing body of track and field in the United States.

The Oregon association has over 450 officials. We officiate meets at all levels of USATF, NCAA, NFHS, IAAF and the Olympics. We would like to offer you a chance to work with some of our outstanding starters here in Oregon.

Our clinics will involve the techniques that are used throughout the country and the world by starters. The OSAA uses USATF officials at the state high school meets. Our goal is to help establish consistent techniques for all starters in the state.

We have scheduled 4 clinics:

1. Feb. 6th OSAA Building in Wilsonville 12:00-2:30
2. Feb. 13th Eugene Bowerman Building 9:30-12:00
3. Feb. 20th Roseburg HS Room TBA 9:30-12:00
4. Feb. 27th Summit HS Room TBA 9:30-12:00 / Officials training 12:00-4:00

For those interested we will have information on becoming a USATF Certified Official. Our training materials will be made available on CD for \$10.00.

Clinic Objectives:

- Develop a positive, athlete centered Philosophy of Officiating.
- Develop a proactive approach to officiating .
- Provide an overview of officiating roles, tasks and approaches.
- Describe basic meet planning, administration and implementation.
- Be exposed to the variety of officiating situations and future opportunities.
- Have Fun! Make sure that this volunteer activity remains a fun activ-
